uninstall visual novel reader in  
windows 10 Sep 25, 2017 As I didn't  
experience any harm from VNR I  
thought I'd give it a chance and haven't  
found any reason to uninstall it yet. Jun  
4, 2017 I was getting errors at login in  
the end. I think the uninstall did not  
work properly. Apr 22, 2017 I tried to  
delete and reinstall, but it's not  
working. Feb 16, 2017 I also tried to  
reinstall, but it's still not working. Mar  
15, 2016 I clicked OK/Failed a few  
times during the uninstall process but I

still got a final dialog. So, I cancelled the uninstall process (it's on a dual-boot machine with Kali). Jul 4, 2015 Here is what I tried but I didn't succeed in an uninstall because the folder of Visual Novel Reader was not empty. The first is the Full Offline version and the second is the Home Edition. Jun 5, 2015 I noticed a little problem after the uninstall. I thought it would be fine. I tried a fresh install of Reader. But, that's when I found out that the uninstall was a failure. Jul 7, 2015 Yesterday, I have installed Visual Novel Reader on my Windows 7 PC. I have tried to uninstall it. And, I have

many problems, which I am going to share with you. Aug 16, 2015 Finally, a working uninstallation and clean install of VNR for Windows 10. Feb 7, 2014 Uninstalling Visual Novel Reader (or re-installing) is not a straightforward job. In this article, I'll try to help with this process. Feb 1, 2012 I have tried reinstalling the app and all the settings files are deleted and replaced. Mar 2, 2020 I tried the above approach but it failed. However, I could remove the libraries manually. May 15, 2018 "1 of 3 files are open" error from the VNR tray icon. I've read elsewhere that this error is
